

## '51 Kaiser Deluxe

Posted by Quint - 31 Aug 2012 06:27

---

My dad actually drove a '51 Kaiser Deluxe! No, I'm not that old, but he used to tell me about it. He said that it was the smoothest-riding car he ever drove.

Sweet car you dad had. I've never driven one myself but I've seen how great they can look if in mint condition. The Kaiser is one of the cars I could admire for hours.
